# THE SPUR

# FOREWORD

What have you here? It is "The Spur", our way to school and to bring to you the memories of the year 1960-61. We hope that this book will enable you to relive the year through the pages that follow. We hope that it will constantly keep you in touch with those you grew to love, with the activities which helped you to grow, with the teachers and classes which helped you to learn, and with the entire school where you learned to blend all phases of life into one whole.

Since Millboro was organized as a standard high school in 1916, when the old building was erected and equipped, progress has been steady. The new building and heating plant was constructed in 1933. Four new departments have been added since the organization: Vocational Agriculture, Home Economics, Business Education, and Music. In the fall of this year our enrollment was increased by the addition of the Juniors and Seniors from Goshen High School in Rockbridge County. Plans are now being completed for an addition to the present building.

# DEDICATION

As we look back through the years, it is our parents who always form the background, the foundation for our growth. They are the ones who guided our first steps, who started us out on the first day of school, who bandaged our cuts and bruises and listened with patience to our tales of woe. Our parents are the ones who have made innumerable sacrifices for us; they are the ones who helped us over obstacles, and it is they who comforted us when our little worlds turned upside down. Therefore, in recognition and appreciation of their untiring, unending devotion, service and love, we dedicate this our 1961 "Spur" to our best friends . . .  
**OUR PARENTS.**

There are dates in history--  
Famous, more or less;  
Dates our teachers have demanded  
On our brains we press.  
But there's one more date to add--  
Which one you'll quickly guess.

Nineteen hundred sixty one  
There's a fate for you!  
Good as any you could find  
The history pages through.  
Good as any honored by  
The Red and White and Blue.

Best of all they're written here  
In our hearts and yours;  
There's where memories linger still  
As long as day endures;  
But there's one date that in my mind  
Leads all, I must confess.

# CLASS HISTORY

Submitted below is the history of the graduating class of 1961 as nearly correct as my memory will permit me to write it.

On September 7, 1949, 37 eager little boys and girls entered the first grade. Miss Haynes, taking the problem in hand got us on the path to the goal of a senior. All of our grade teachers, Miss Harouff, Mrs. McLaughlin, Mrs. Blanchard, Mrs. Schoonover, Mrs. McCray, Mrs. Tyree and Mrs. Hupman, we would like to thank for having patience and love for us.

The two features that stand out in our minds are the decorations we put up in our rooms, and our trips to the historical sights and "non" historical sights. These we will add to our lists of memories.

The door to high school was then opened to us. My, the activities we became a part of. In the eighth, ninth, and tenth grades our highlights included dances and parties. Our sponsors these years were; eighth grade, Mr. Hileman; ninth grade, Mrs. Mary Skinner; tenth grade, Mrs. Mary Cauley.

In the eleventh grade we sponsored the more special events. The year began with our Junior Play, "Dear Ruth". We sponsored the Junior-Senior Prom of 1960, which was very beautiful. On April 25, 1960 we received our class rings. This was certainly a red letter day in our lives. We would like to say a special thanks to Mr. Ellis, our class sponsor, for making this a wonderful year.

And now we are seniors, that long strived for goal. As twenty of us stepped into the Senior room that first morning, greeted by our sponsor, we knew this was it. We were joined by seven seniors from Goshen High and one from Clifton Forge High.

For a brief moment on the day we took our cap and gown pictures, the class could picture themselves as on graduation day.

There are many decisions we must make during the year. Selecting the annual cover, our motto and many more are ours to make. We thank Mr. Skinner for advising us in making these decisions.

The time has been so very short but wonderful. We will be saying good-bye to our classmates before very long. There will be the time to say good-bye to our school, M.H.S., the home of the "Wildcats". May that spirit never die in us, and when we hear the song, "Tis Dear Old Millboro", be proud to say "that is my school song."

Now as we make our journey in life with God as our leader never forget these wonderful memories. When thinking back may each of us be able to say, "I gave my best."

## CLASS HISTORY

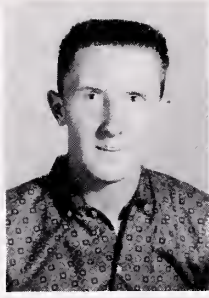

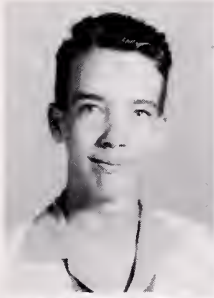

In the eighth grade we started out with 22 pupils. In this year we had a spelling match with two participating. Our spelling match included the schools in our county. Peggy Ingram won with a runner-up Bonnie Sue Pugh from Mitchelltown school. Both went to Waynesboro to compete with 6 other county's winning contestants.

In our freshman year we had 16 pupils. We had one boy and 4 girls going out for basketball. We also had a party which was held in our gymnasium. We were allowed to invite one guest.

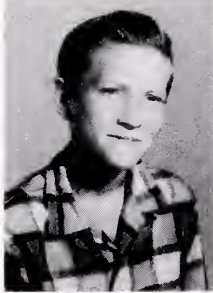

In our sophomore year we sponsored a square dance which was held in our school September 24, 1961. We had 1 boy and 3 girls going out for basketball this year. The 3 girls made first team.

Two students were eligible for the Beta Club. Several are in the Glee Club. Ten are in the F. H. A.

During the year many of our class members participated in various school activities. Our class was well represented in the Glee Club, Pep Club, and Drama Club.

Class officers elected for the year were:

President:	Kenneth Matheney
Vice President:	Dennis Jack
Secretary:	Dora Brown
Treasurer:	Betty Neff
Reporter:	Leland Coursey

As freshmen we have a somewhat smaller class with 19 on roll. Mrs. Skinner is our homeroom teacher.

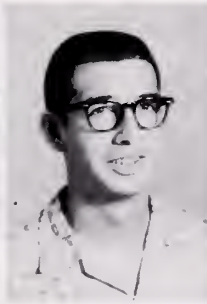

Our class officers were:

President:	Litz Noyes
Vice President:	Norma Blanchard
Secretary:	Linda Tennant
Treasurer:	Andy Porter
Reporter:	Marlene Ross

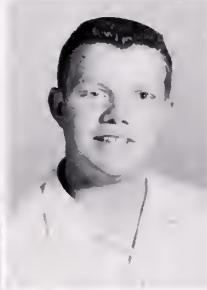

In October Litz Noyes moved away so Norman Blanchard was elected class president to take her place.

Last Fall we sold stationery to raise funds for our class. One of our last activities was a Christmas Party in December.

## CLASS HISTORY

Most of us enrolled in school in 1953. Our teachers through elementary school were as follows: first grade, Miss Haynes; second grade, Mrs. Ethel Moore; third grade, Mrs. McLaughlin; fourth grade, Mrs. Blanchard and Mrs. Hupman; fifth grade, Mrs. Walker and Mrs. McCray; sixth grade, Mr. Hileman; and seventh grade, Mrs. Tyree.

In the sixth grade we participated in the Science Fair. In the seventh grade we visited the Luray Caverns and the Zoorama. This year the girls played softball with the ninth and tenth grade physical education class. The boys played ball with the eighth grade and Goshen.

The fall of 1960 brought us into the eighth grade. This was a goal we had been looking forward to for seven years. Mr. Capley started as our home room teacher. Mr. Hileman became our home room teacher and Mr. Capley was appointed as the Principal of our school.

All of us have joined different clubs during the year.

## *An Introduction To Our Patrons*

It is with gratitude and appreciation that we, the Spur Staff, introduce our advertisers. Only through their moral and financial support have we attained success. We, therefore, earnestly hope that they, too, may be patronized who have so generously patronized us.

Congratulations  
and  
Best Wishes
